

# VinylEfx® Printer Profiles

To aid printing on RTape VinylEfx® films, the ICC Printer Profiles listed below are downloadable from [rtape.com](http://rtape.com).

Includes profiles for the most popular inkjet printers and RIPs used in sign marketplace. If you don't find the profile for your printer and RIP in our listing, we recommend printing with a generic profile for a glossy vinyl.

Brand	RIP	Resolution	Ink series	Ink set
Epson Stylus Pro GS6000	ColorBurst 9.1	720x720	UltraChrome GS	CMYKcmOG
Epson Stylus Pro GS6000	Onyx 10.2.5	720x720	UltraChrome GS	CMYKcmOG
